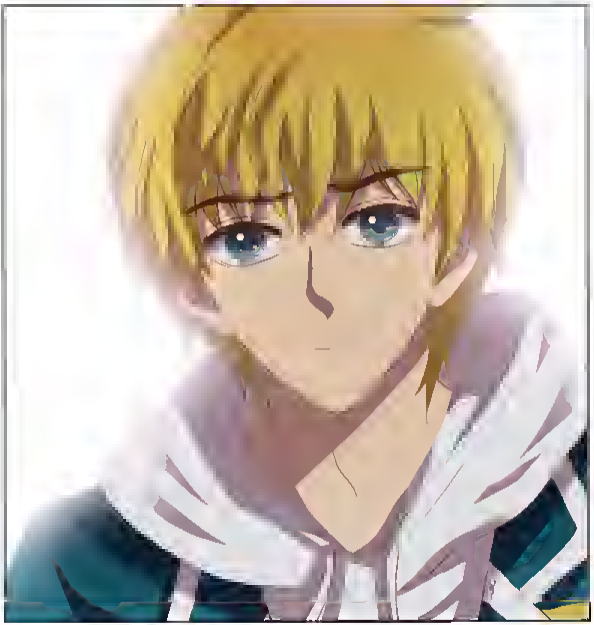
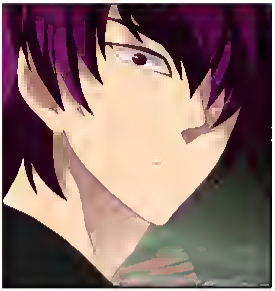
LET GO, OR I'LL
MAKE YOU DISAPPEAR





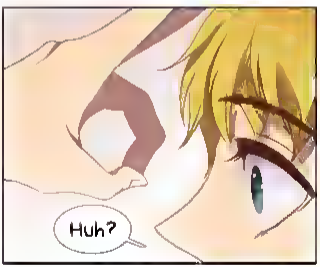
grin

How silly of me
"Make you disappear" what a ridiculous thing to say. You can't get rid of things like you and me
Hey
If I could get rid of you, I would have already done so

Tell me, why do you keep on hanging around us?
You don't have any bad intentions, do you?
Like trying to possess Haram's body
While I can't get rid of you
...?
Huh?
Huh?
floats

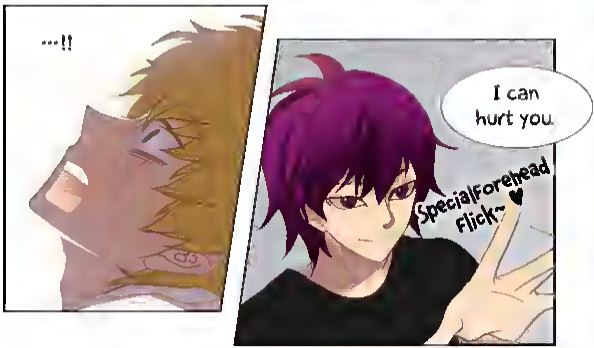
OMG!
What?!
Scary! My body levitated on its own!
KYAA!
Who is this ghost-hyung? Is he the king of ghosts?
Stupid

You're not a bad ghost, are you?
Also, how did you do that? Let me g...



Huh?

BAM-!!



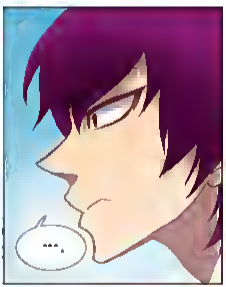
...!!
I can hurt you.
Special forehead flick~

Ouch! My forehead feels like it's burning!
Who is this Hyung? Is he a bad person?
Steps
on

I won't say much. Just pretend you didn't see me and get out of my sight
It's best to mind your own business.

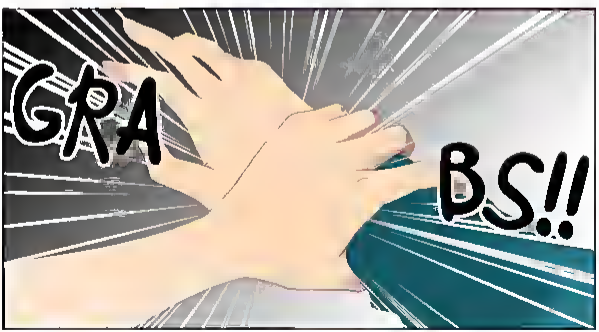
Ah dammit
That boy next door disappeared

Now I'm really pissed off



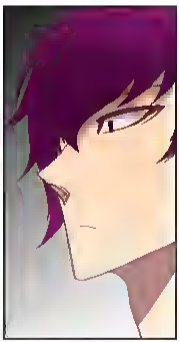
...

First, tell me what you're after!
Gri
PS
At least promise that you won't harm anyone before you go



GRA
BS!!

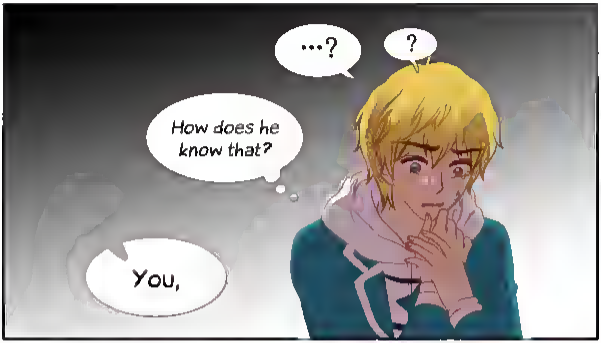
Do you really want to get hurt?
crack
!!
How would you like your arm ripped off?



Ah. that's right If I do that, you'll be even more pitiful than you are right now

heart
Your arm's already loose as it is
drops

LET GO!
SLA
PS!!



...?

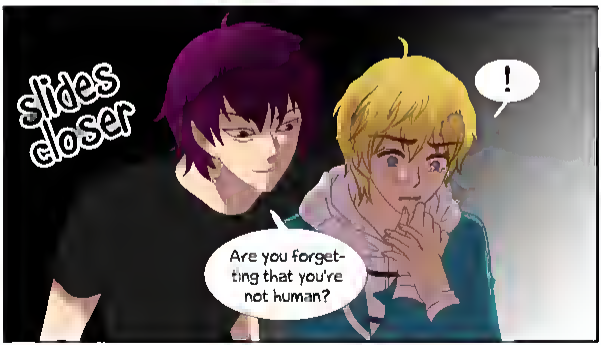
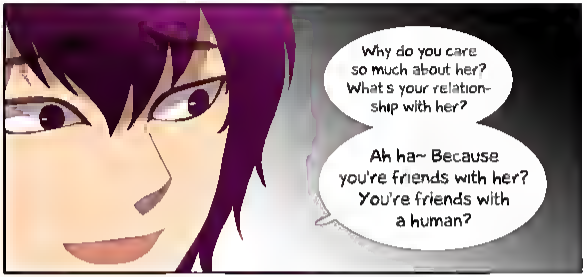
How does he know that?
You,



slides closer
!
Are you forget-ting that you're not human?



Why do you care so much about her? What's your relationship with her?
Ah ha~ Because you're friends with her? You're friends with a human?

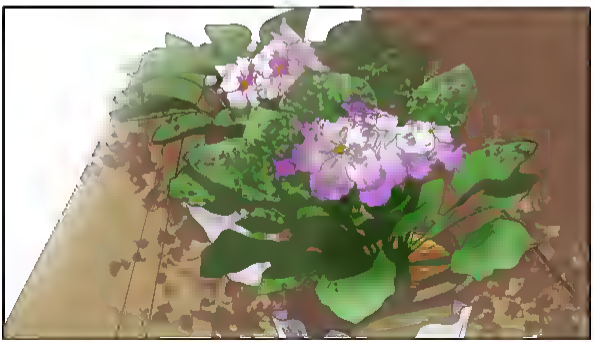
Being around her makes you so happy that you forget about reality, huh?

You were watching everything that just happened in there, weren't you?
What are you going to do, go and comfort her? Tell her everything's alright?

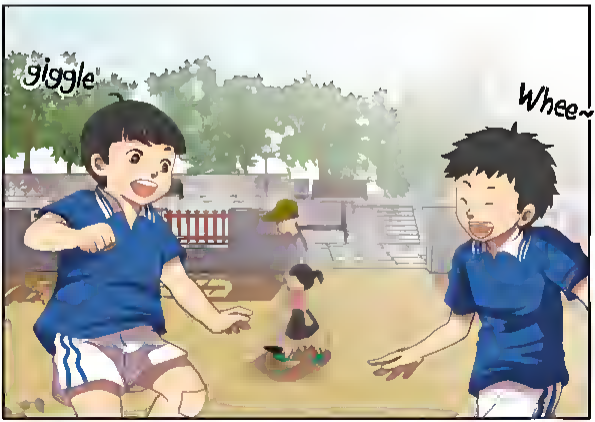
Anything that you and I do is fake at best.

-Chapter 33-
Warmth

*I'm a bad person.*



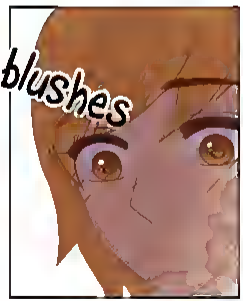
Yay!
Woah
KYA!



giggle
Whee~

I feel like I've been dreaming...
sigh...

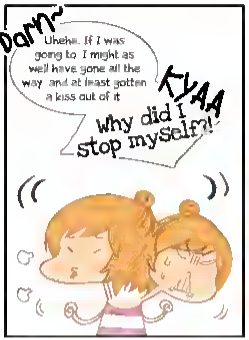
Ah. That scored zero on the reality scale.



blushes

*What was I thinking, forcing myself on him? It's so crazy!*

*Wow, really... Everything was so rushed...*

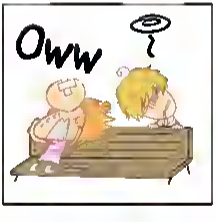


Darn~
Uhehe. If I was going to I might as well have gone all the way and at least gotten a kiss out of it
KYAA
Why did I stop myself?!

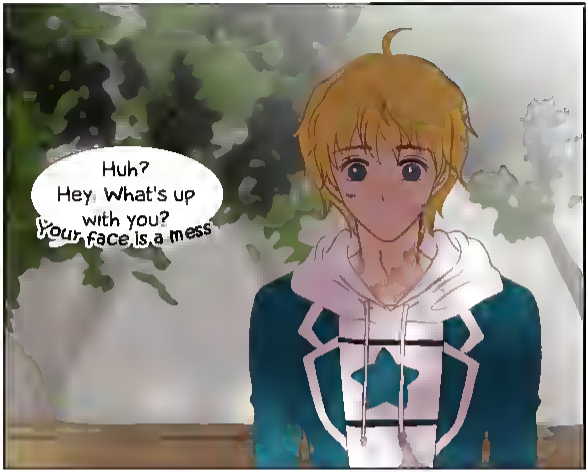
Haha, look at me
Is this the time to be making jokes?

I don't know
How could I have not known that things would turn out this way

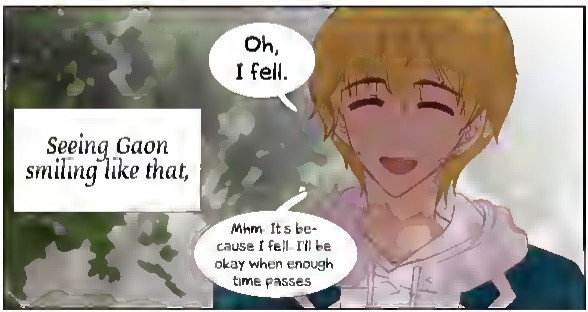
gets up
spits!!



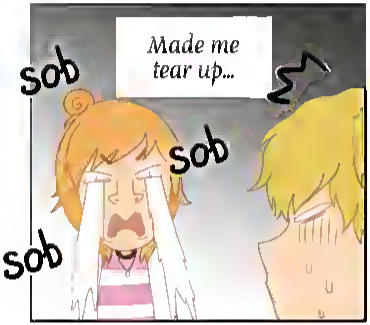
Oww



Huh?
Hey. What's up with you?
Your face is a mess



Oh, I fell.
Seeing Gaon smiling like that,
Mhm. It's because I fell. I'll be okay when enough time passes



Made me tear up...
sob
sob
sob

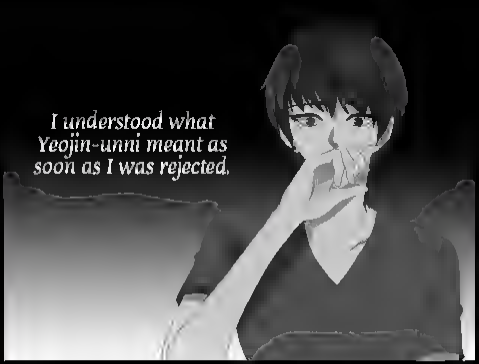
Hey, don't cry~ Is it because of Bit-hyung?
You saw everything
Sorry

*Actually, I could have held my tears.*

Don't cry.

If you do, you'll probably regret it

*It was a woman's intution.*

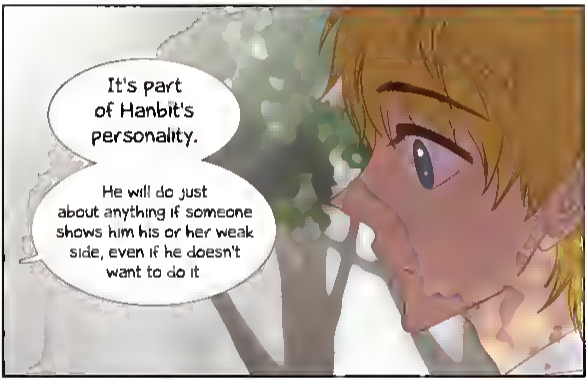


*Ah, if I cry, it'll work.*

*If I cry, I can have Hanbit.*

When that thought popped into my head,
I became sad.

But at the same time, happy.



It's part of Hanbit's personality.
He will do just about anything if someone shows him his or her weak side, even if he doesn't want to do it

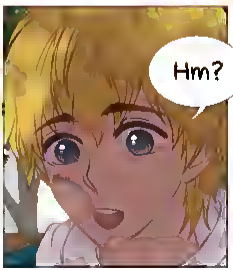
*But,*

*When I heard his reply...*

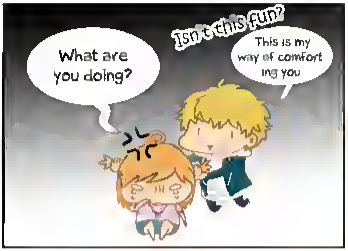
*I felt so pathetic...*

I'll do anything you want.
I'll go out with you So,
It made me more upset to force him to accept me like that.
sobs
Don't cry.

Bokshil?

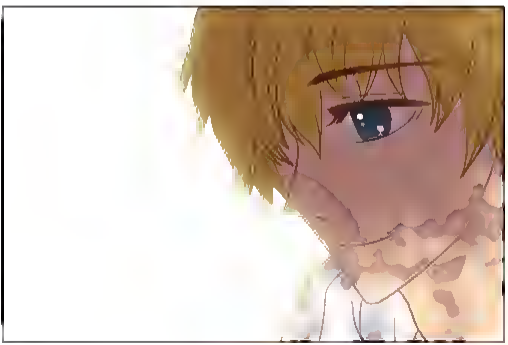


Hm?

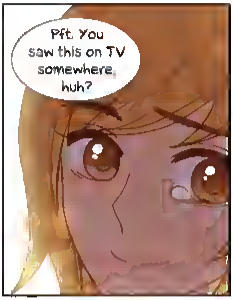


What are you doing?
Isn't this fun?
This is my way of comfort ing you

ARGUE ARGUE
DO YOU WANT TO DIE?!!
GUARD!!

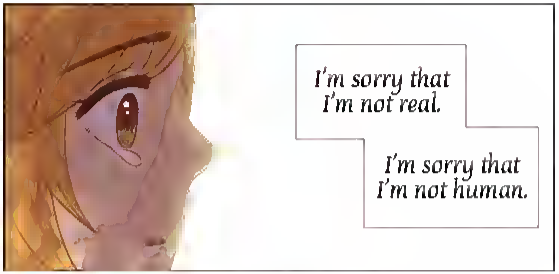


What's wrong with you?
I'm comforting you Relax~

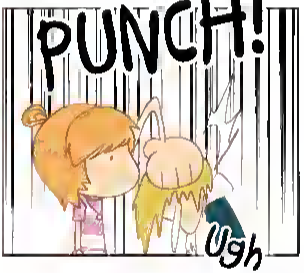


Pft. You saw this on TV somewhere, huh?

I'm sorry that my hands are so cold



I'm sorry that I'm not real.
I'm sorry that I'm not human.



PUNCH!
Ugh

How ridiculous!
?????

You think I want something warm in the middle of summer? Cold is better!
I like your hands because they're cool.
If you say things like that, you'll be in trouble!

You're such a dork
But thanks to you, I got to laugh a little How strange

Me too.
I feel the same way

*Instead of comforting someone,*
*I'm being comforted.*

*I'm always*
*laughing thanks*
*to you.*

*I understand*
*what it means to be*
*"warm" now.*

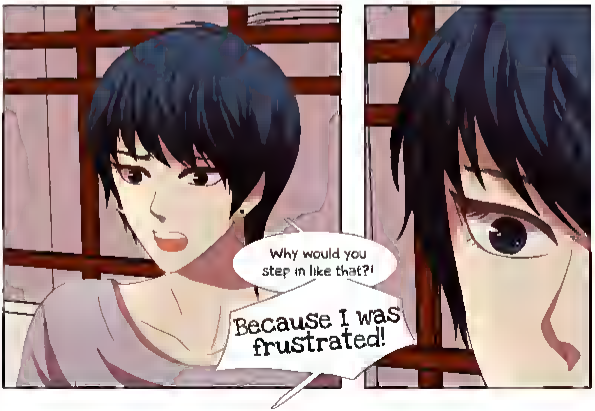
GROWL
YOU BASTARD...

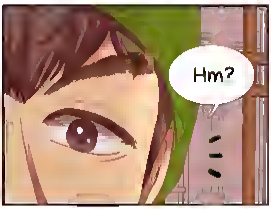
Why did you do that?
Of all the things you could do!
Why did you push her?



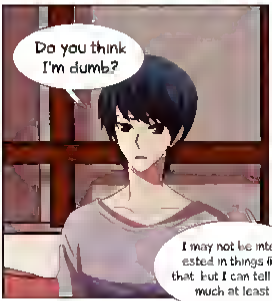
Why would you step in like that?!
Because I was frustrated!

I felt uneasy because Heo Sujin came back.
Even though it's not likely that you'd go back to her I still felt that way

That's why I egged that kid on. She liked you a lot...
I knew she did.

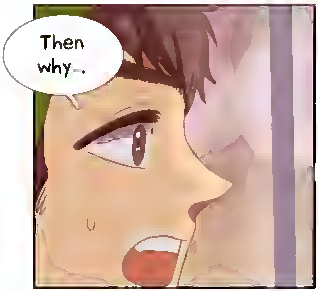


Hm?



Do you think I'm dumb?
I may not be interested in things like that but I can tell that much at least

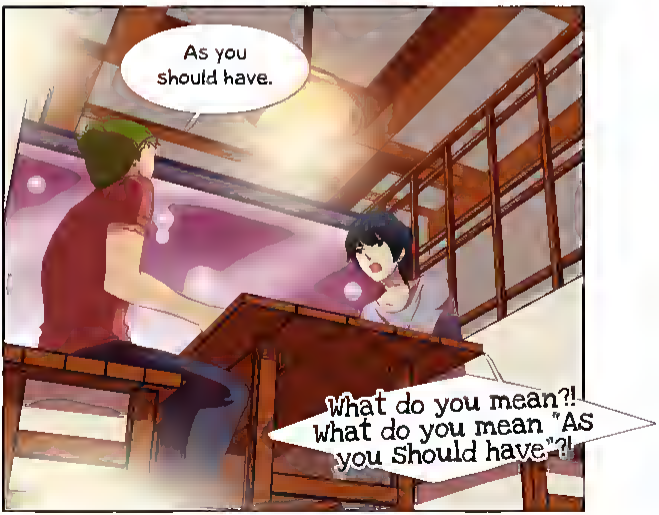
I already knew she cared about me.



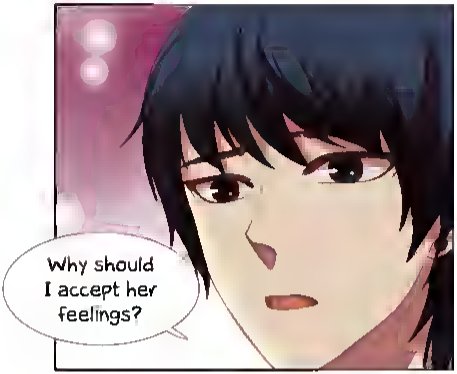
Then why..

Why?
What do you mean?

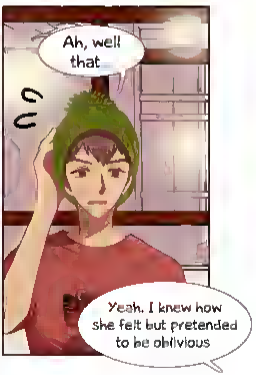
Why do you always have to ask "why"?
Why did I act like I didn't know?
Why didn't I accept her confession?



As you should have.
What do you mean?! What do you mean "As you should have"?!

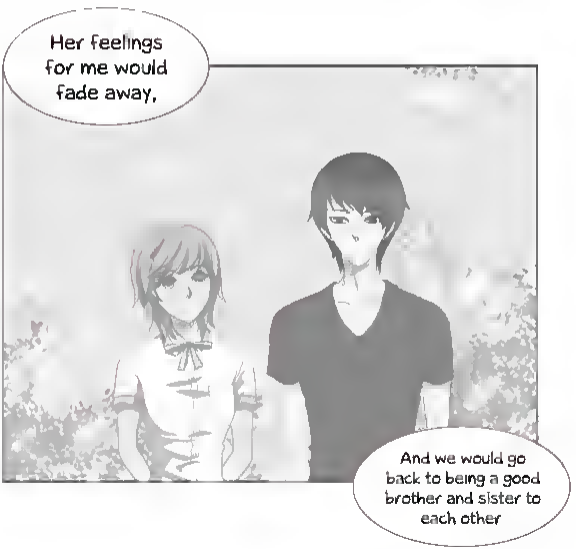


Why should I accept her feelings?



Ah, well that
Yeah. I knew how she felt but pretended to be oblivious

I thought that maybe in time, as I pretended not to know,



If we mess it up by dating...
If our relationship goes wrong, how will we manage?
So how can I just accept her feelings so carelessly?
What? You're already afraid of breaking up with her? Are you stupid?

Yeah. I was scared.
I was afraid that we'd ruin
what we have now.

Hey. You
can't do that!

So it's not like you don't like her.

You treasure her.

You didn't say you'd do anything just because she was crying, did you ?

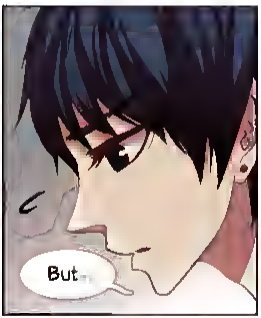
I told you to fix that so many times..!!



But...

She was crying
I didn't know what else to do
I hate it when someone cries

Hanbit
sigh
can't stand it when girls cry.

Even Yeojin, if she wasn't crying, he would have walked right past her.

But she was crying then.

That's why he went to see her every night. He wanted to comfort her.

Because her crying bothered him.

That's why he grew up always getting hurt emotionally.

Even though I told him a hundred times to fix it...

So, if Heo Sujin clings to you and begs you to go out with her again, are you going to?

Well, I was actually going to go meet her right now

ARE YOU CRAZY?! DO YOU HAVE A DEATH WISH?! YOU KNOW WHAT SHE DID!
I'm going to tell her to back off.
I'll tell her I don't want anything to do with her anymore.

By the way...
it's nice and all that you suggested we meet up at your girlfriend's house.
But isn't she from a different class?
Oh,
I'm okay with it.

Oh, we'll be celebrating 50 days in a little while. Don't plan anything though, Sujin. If you do, you'll bring us bad luck.

Kekeke
Sujin, don't believe a word he says. He's a romantic beast.
Oh! Really?
What's he saying?! You bastard!
KYAAA!

You kids.
You said you were working on a project, but instead you're all just chattering away. Here, have some fruit.
Whoa! Thank you, Sujin's mom!

Ah, another friend just came.
They're in here.

Oh, Hanbit's here. You found the place alright?
I'll forgive you for being late since I made you run an errand for me.

Hanbit?

*Hanbit has an earlier birthday so he's a year younger than them but in the same grade.
(Korea "Earlier birthday" is referring to kids being born earlier in the next year while some other countries look from the latter half of the previous year. Like kids before Jan-Dec. of 2003 would be placed in classes with kids born in the early months (Jan-June) of 2004. This is why Rahna and Hanbit are friends instead of Heung/Dongsaeng.)

Some readers asked if I had possessed Guin in the last chapter

I may be evil, but I'd never sink so low as to kidnap someone! Boohoohoo

She was not possessed by him~

We've decided to start dating today.

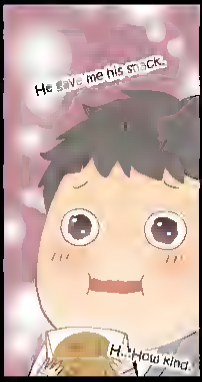
HUUUUUUH?!

I became friends with
Hanbit a month after the new
school year started

He was polite and quiet,
so we probably would've never met.

I only learned that he existed after he was put in my class and was assigned the seat in front of me.

And then one day during lunch break.
He was on his way out for recess after eating.
Hey, do you want this?
Cookie

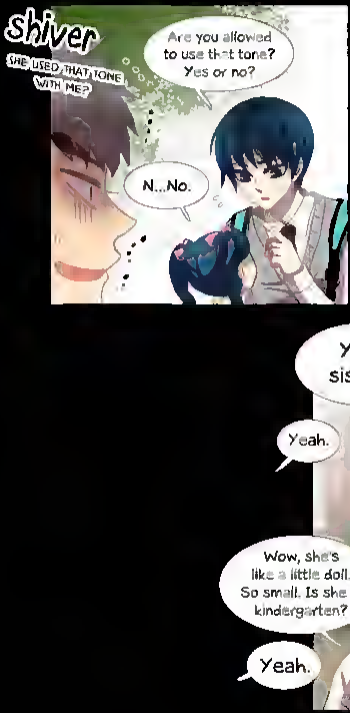


He gave me his snack.
H..How kind.

*After spending more time with him, I learned he was a good kid all around.*

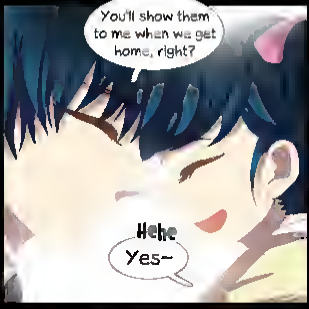
*I think we became friends because our personalities meshed well together.*

What are you looking at?
Hansol
(7 years old)
Hanbit's younger sister



shiver
SHE USED THAT TONE WITH ME?
Are you allowed to use that tone? Yes or no?
N...No.
Your sister?
Yeah.
Wow, she's like a little doll. So small. Is she in kindergarten?
Yeah.

Did you have fun today?
Yeah. I show pictures of bunnies and puppies.



You'll show them to me when we get home, right?
Hehe
Yes~

Hey. You two look so much alike that it's creepy when you two are so close.
What'd you say?
I don't like it. I don't buy at all.

You're so adorable~ Do you want to marry me when you grow up?
Hm?
Hm?

Expression of denial only 7 year olds can make.

*Problem was.*

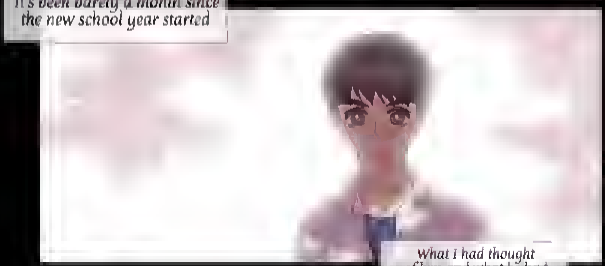
You have to answer when I call you in night, okay?
...Okay.

A girlfriend? Isn't she from class 2? You had a different girl last week.
...third.

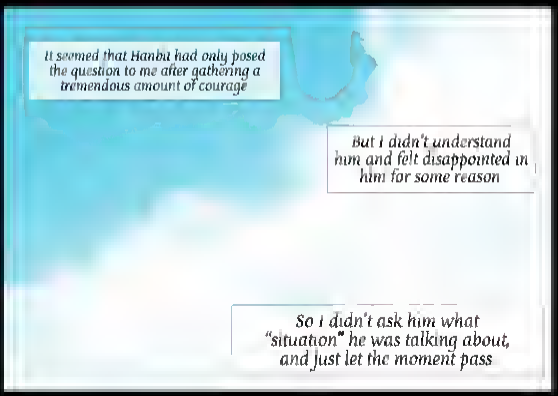
Hm?
What?

After getting into my 2nd year
She s the third girlfriend I ve had

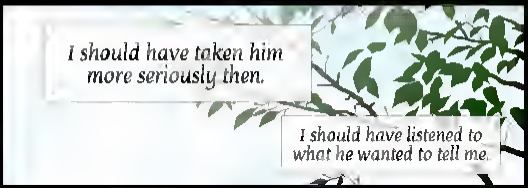
I don't know what to do about it.
If you were in this "situation", what would you have done?



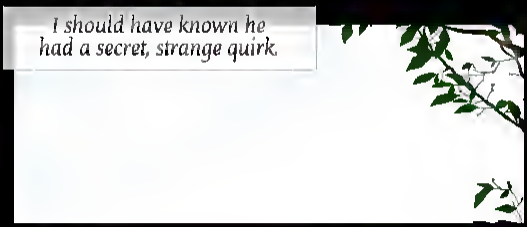
It's been barely a month since the new school year started
What I had thought of him and what he had just said clashed so I was at a loss for words I couldn t say anything for awhile



It seemed that Hanbi had only posed the question to me after gathering a tremendous amount of courage
But I didn't understand him and felt disappointed in him for some reason
So I didn't ask him what "situation" he was talking about, and just let the moment pass



I should have taken him more seriously then.
I should have listened to what he wanted to tell me.



I should have known he had a secret, strange quirk.

*But,*

*Sujin found out about it before I did.*
We decided to start dating today
Sorry.

Suddenly

I became

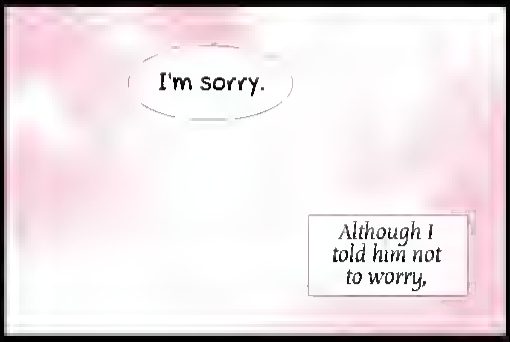
So don't stress yourself about it. I'm not blaming you. It's not even your fault.
If you two honestly like each other a lot, I have nothing more to say.

It's just...
I will tell you this though.
All the kids are asking me what happened. It's annoying the crap out of me. I'm protecting you from them.
.....
It just turned out that way all of a sudden.



I'm sorry.
Although I told him not to worry,

Hm...
It does sting a bit.
That Sujin
She told me I was the first guy she liked
What a backstabber

But what can I do now?
I'm a 3rd wheel now

I feel empty somehow.
Ah. She was my first girlfriend too. How did things end up this way?

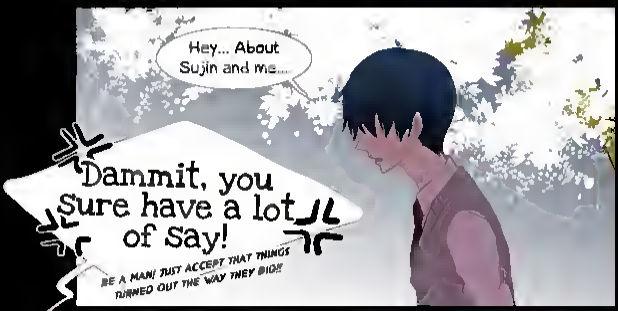
Ugh, how embarassing.

Are you crying?

Are you having a hard time?
Eh...A little.
A lot?
It's just that,

My pride is a bit crushed,,

A guy like me...



I said it doesn't bother me already! I'm fine! So!

HOW COULD A STORY OF BETRAYAL LIKE THE ONES YOU SEE IN X MANHWAS HAPPEN TO ME?
I'LL TAKE CARE OF THIS ONCE AND FOR ALL.

I SHOULDN'T HAVE LAUGHED WHILE READING THEM, I SHOULD HAVE KNOWN BETTER.
DAMN THEM

Are you guys on a date?
I'm cool with this.
I'll get out of your way.
I hope you two will be happy.

Even though I was thinking like that,
Those two also had tons of things to think about
Hanbit
Can we hold hands?

Then can I touch your cheek once?

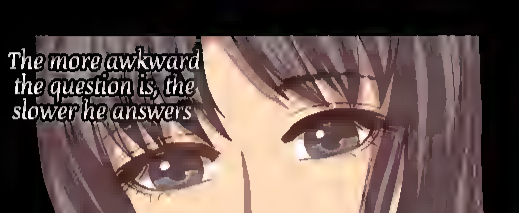
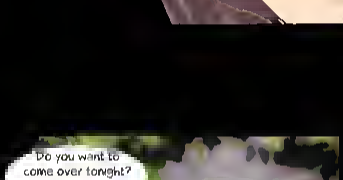
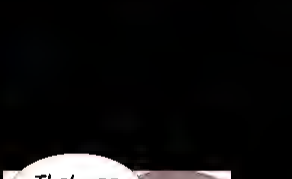
...Yeah.



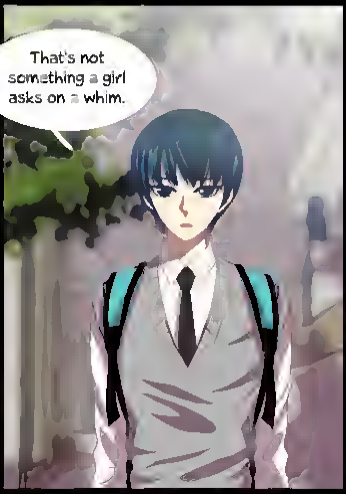
The more awkward the question is, the slower he answers
How cute.



Do you want to come over tonight? Let's study together in my room.
No.



That was quick.
Why not?



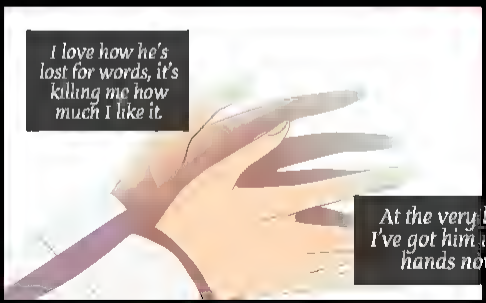
That's not something a girl asks on a whim.

So pure-hearted.
He's a little too conservative.
But I like that about him.

Then why don't we-
What happened?

I thought you had talked to Bakha and broke up with him properly. But...
You agreed to see me nonetheless.

.....
Ugh...



I love how he's lost for words, it's killing me how much I like it.
At the very least I've got him in my hands now.

I'll be patient.
I'll make him mine slowly, but surely.

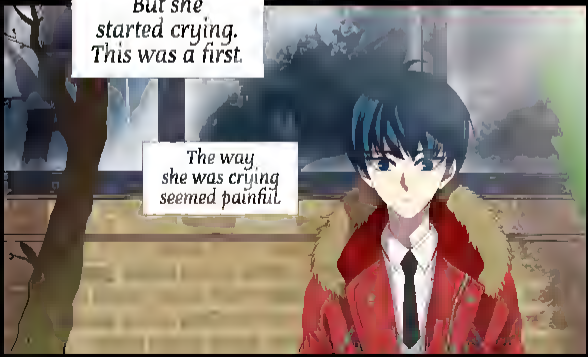
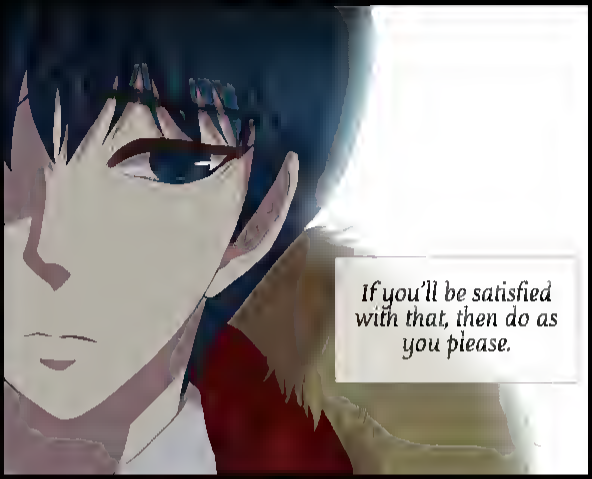
A girl confessed her feelings to me in the early spring of my 2nd year of high school. It was the 2nd time that had happened since entering high school.

I rejected her as I rejected the first girl



But she started crying. This was a first.
The way she was crying seemed painful.

I told her I'd do anything she wanted if she'd stop. But I stressed that I could not return her feelings.
She said it was fine with her. She said she's satisfied with the idea of going out with me.
She asked me to accept her in that way at the very least.
Ah. Is that acceptable? I guess that's not a bad thing then.



If you'll be satisfied with that, then do as you please.

Smirk...
How naive...

Ch. 37 - Hanbit (3)
by Maru

*Although we're young, we love passionately.*
*Because we're young, it's probably not "true" love.*

*Hanbit's case was the latter.*

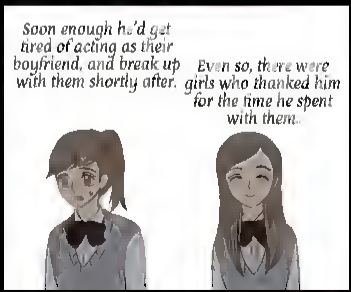
Back then, he thought love was only about satisfying one person

Because there were girls who told him it was okay if he didn't like them back as long as he would "date" them.

So he granted their wishes.

Soon enough he'd get tired of acting as their boyfriend, and break up with them shortly after.

Even so, there were girls who thanked him for the time he spent with them.



He couldn't understand it.

At first he thought it was okay.

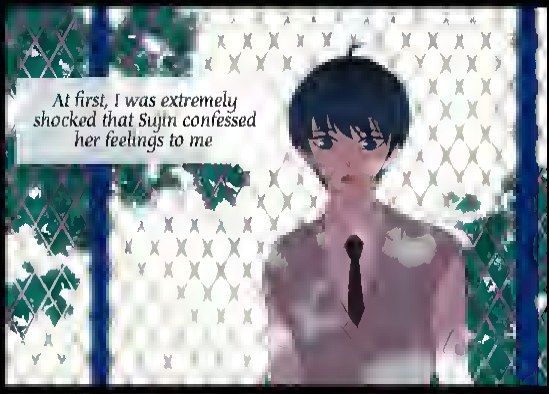
If he just stopped her crying, things would work out later.

But there was a part of him that held back.

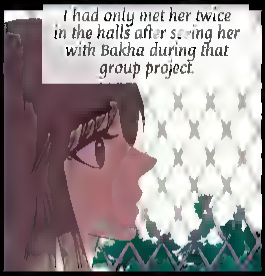
But he couldn't figure out how to fix it.

Hanbit had no problem with acting the part of a boyfriend up until now
Because the girls he dated never wanted anything beyond simply dating

But Sujin was different.

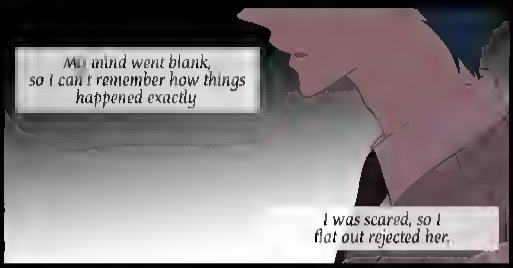


At first, I was extremely shocked that Sujin confessed her feelings to me



I had only met her twice in the halls after seeing her with Bakha during that group project.

She was my friend's girlfriend.
This was a first for me.

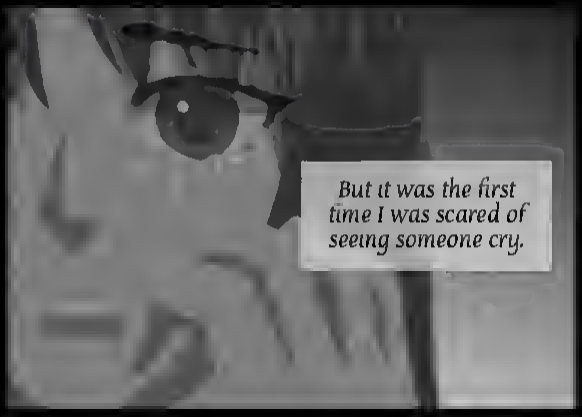


My mind went blank, so I can't remember how things happened exactly
I was scared, so I flat out rejected her.

She said she broke up with Bakha because of me. She said she started having a crush on me.
She said her heart was broken and started crying.

I'm okay with just the "idea" of us dating.

At first, it pained me greatly to see them crying
So I wanted to make them feel better.
I may have become more vulnerable to tears
because I had spent so much time with my little sister and Haram from next door



But it was the first time I was scared of seeing someone cry.

Turns out, Sujin and Bakha hadn't really broken up before she confessed to me
But he smiled and said it was alright.

What do I do?
Is this really alright?
Thoughts of Bakha nag at my mind
You okay?
What's on your mind?
They changed to short-sleeved uniforms because it's summer

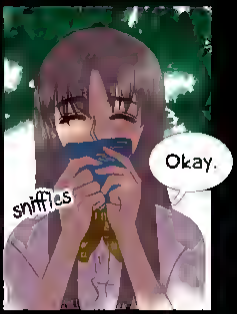
I think you lost weight in the past few weeks. Is it because it's summer?
Or is it because you're stressed out about the finals?

Or is it...
because of me?

Are you still having a hard time because of me and Bakha?
Sorry...
About that... That time, I...

offers

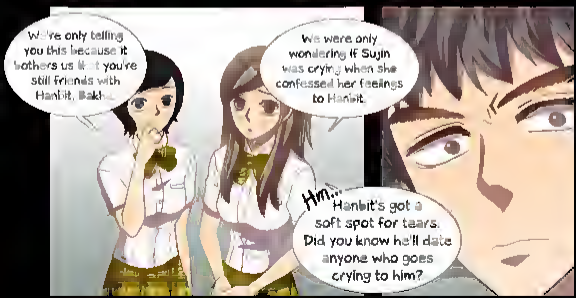
It's not that, don't worry
Don't cry



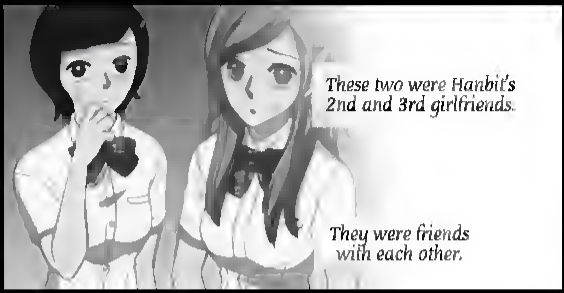
sniffles
Okay.

Want to come over today? Let's go buy a cake at the bakery cafe and share.
I can't.

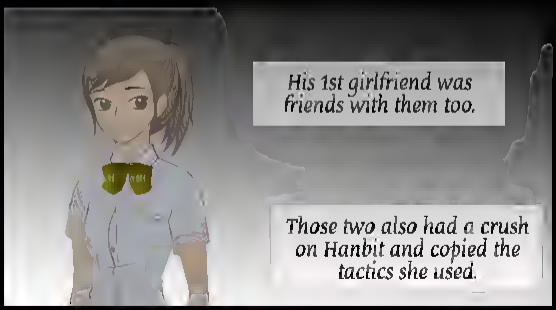
What? Say that again?
Uh-oh. He's mad now.



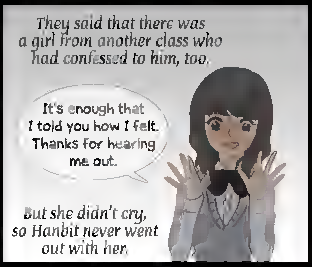
We're only telling you this because it bothers us that you're still friends with Hanbit, Bak!
We were only wondering if Sujin was crying when she confessed her feelings to Hanbit.
Hm...
Hanbit's got a soft spot for tears. Did you know he'll date anyone who goes crying to him?



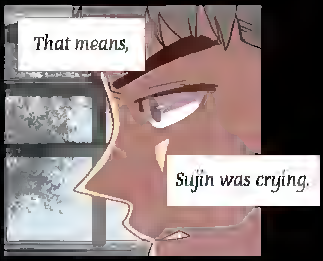
These two were Hanbit's 2nd and 3rd girlfriends.
They were friends with each other.



His 1st girlfriend was friends with them too.
Those two also had a crush on Hanbit and copied the tactics she used.



They said that there was a girl from another class who had confessed to him, too.
It's enough that I told you how I felt. Thanks for hearing me out.
But she didn't cry, so Hanbit never went out with her.



That means,
Sujin was crying.

Hey, where are you going?

I'M GOING TO KILL HANBIT.

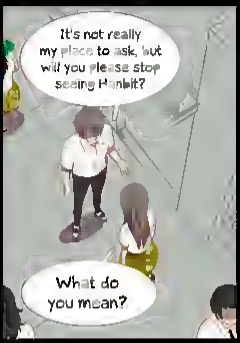
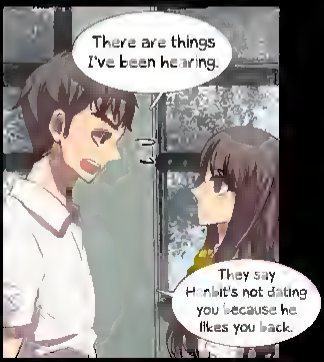
grabs!!

Why...?
Will you let go of me?

Sorry!
MY BAD.
I just wanted...



It's not really my place to ask, but will you please stop seeing Hanbit?
What do you mean?



There are things I've been hearing.
They say Hanbit's not dating you because he likes you back.

Those bitches must have been talking
He's only dating you out of pity...
Did they get jealous because I've been able to date him for over a month?

I don't care...

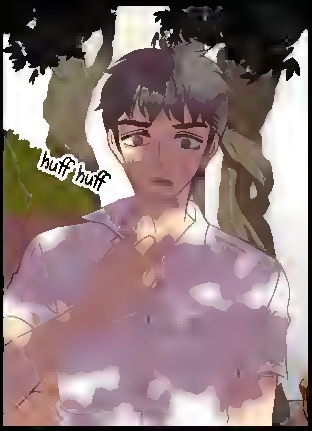
I already know he doesn't like me.
But I like him. That's enough for me.

grinds teeth
So I'm hearing this directly from you.
It's true. Hanbit's not dating you because he truly likes you.

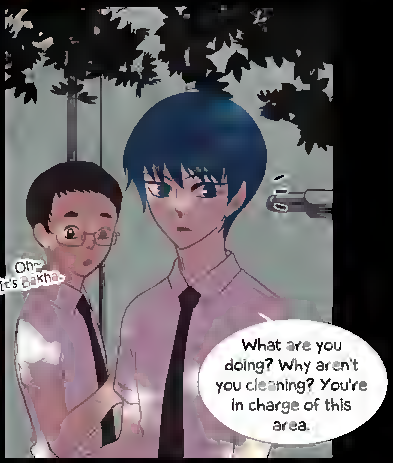
Hey, Bukhal
turns-!!

Ah  I don't want him to get a scar on his face

I still haven't been able to get him to come over!



huff huff



Oh~ It's Sakha~
What are you doing? Why aren't you cleaning? You're in charge of this area.

POW-!!

Hey! what's up with you two?!
what if the teacher sees us!
BAM!

Pulls!!

Let me ask you something

Did you ever like Sujin?

...
Do you consider me as your friend?

It was the same scary feeling I had gotten then

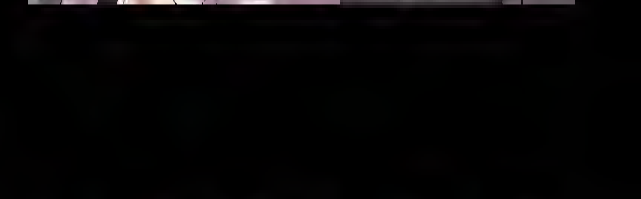
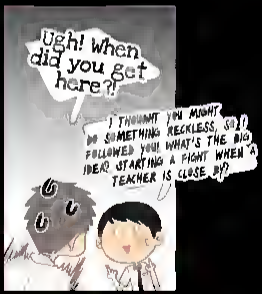
Nothing about this bothers you? Are you an idiot?



Ugh!
Grrr
Ugh
Dam-mit!
Grrr
I'll kill you!

Tell me the real reason I'm angry in less than 10 words.
You moron, that's impossible.
Why don't you try it?



Ugh! When did you get here?!
I THOUGHT YOU MIGHT DO SOMETHING RECKLESS, SO I FOLLOWED YOU! WHAT'S THE BIG IDEA? STARTING A FIGHT WHEN A TEACHER IS CLOSE BY?

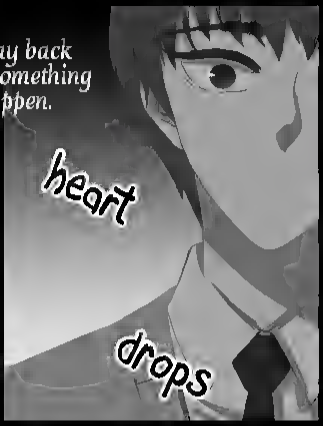
Anyway, until you figure it out.
Don't act like you know me.
IF YOU TRY, I'LL HURT YOU.

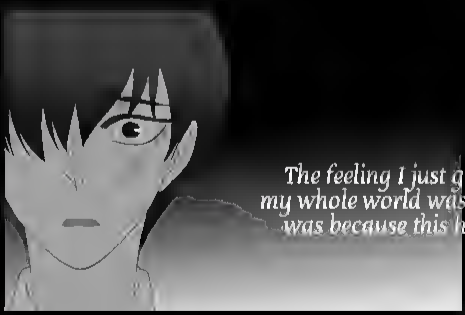
You know, I didn't understand you at first, but now I kind of do.
UG
H!!
Hurry up!

OKAY!
Damn it! I'm so pissed!
Anyway, I hope you guys patch this up quickly. I'll leave the rest of cleaning duty to you.

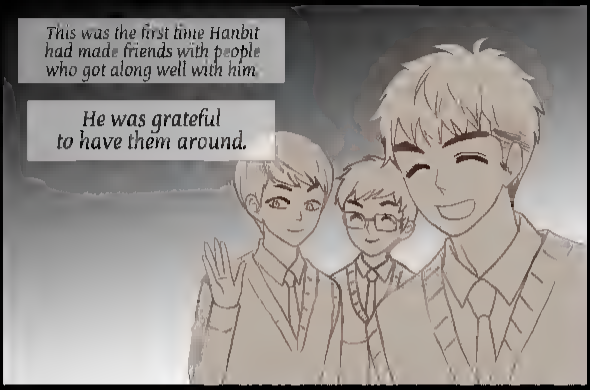
See?
I knew I was doing something bad

*Maybe I felt that way back then because I knew something like this would happen.*





*The feeling I just got, where my whole world was collapsing, was because this happened.*



This was the first time Hanbit had made friends with people who got along well with him.
He was grateful to have them around.

So it was frightening to have those friends turn on him and hate him.

He thought everything was his fault.

*But he couldn't figure out how to fix it,*
*nor did he know the "real reason" why.*

*I'm so scared,*
*and it hurts so bad.*

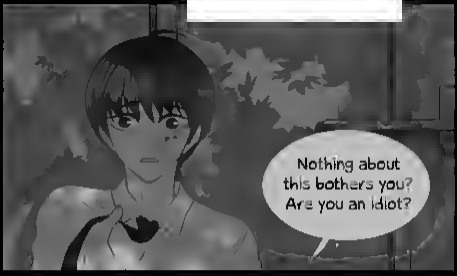
*After the fight with Bakha.*



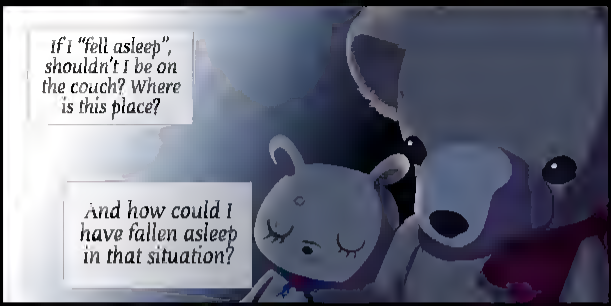
I went straight to Sujin's house.
If Yakha's right and I made a huge mistake, it's only right that I set things straight.

I just wanted to talk outside, but she insisted that we talk inside.

I didn't suspect anything because she said her parents were home, so I agreed.

She gave me something to drink. Every now and then I'd use it to cool my swollen cheek.
He hit me in the face. My mom's going to worry when she sees me.

I had been waiting for Sujin to come back for about 10 minutes or so...



If I "fell asleep", shouldn't I be on the couch? Where is this place?
And how could I have fallen asleep in that situation?

## -Chapter 38-
## Hanbit (4)

*Next day after classes*

...I told this bastard not to talk to me, and he goes right ahead and texts me?
And we're in the same class, why a text message?

Just read it.
IF YOU GUYS DON'T MAKE UP BY TODAY, I'M GOING TO PUNISH YOU TWO.

He's not answering my text, that bastard.

I should have gone straight to him...
Answer your phone~

Hello? Sujin...?
I was about to call you. About yesterday, I...

What?
Look up?

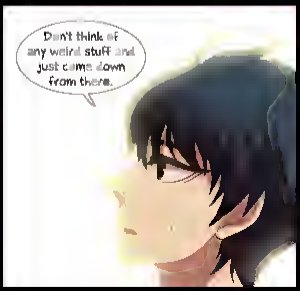
You came.

I knew you would.
You're the type who can't abandon anyone.



Don't think of any weird stuff and just come down from there.

No.

Come here, take my hand.
Let's get down together. It's dangerous.

Hanbit.

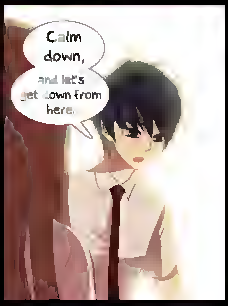
Do you really think I've changed?
Yeah, come a little bit closer.

I want you so much. Why would you reject me?
You said you'd do anything I wanted. You said so.

You're "that" kind of person.

This is dangerous.
Don't cry.
We might fall if we're not careful.
I'll comfort her after we get down from here.



Calm down,
and let's get down from here.

KEKE... KE...

See, you haven't changed.
Don't act like you have.

An idiot, huh?
Keke...

I get it now
If you're not going to be mine no matter what I'll let you go

Why are you looking for him, anyway? I thought you guys had a fight?

Baiko, are you looking for Hanbit?
He was cleaning up with me until now. He said there was something he had to do on the roof.

The roof?

Hey! Bakha!

Hanbit, too! What happened?!

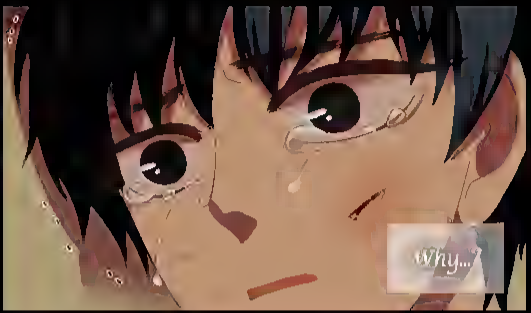
He was already unconscious when we got here. We saw Hanbit fall off the roof.
A tree scratched him up pretty badly on his way down, too. It's so fortunate that Bakhi was there to break his fall...

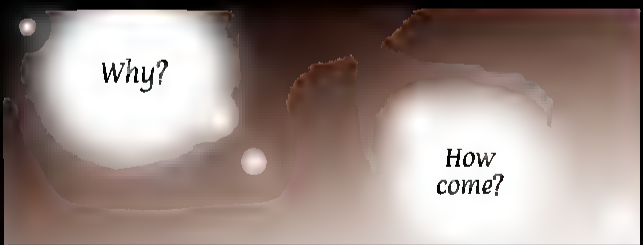
Who cares! Did you call the ambulance yet?!
Yes! Calm down!

Someone went to get a teacher
Wow! What's going on?!

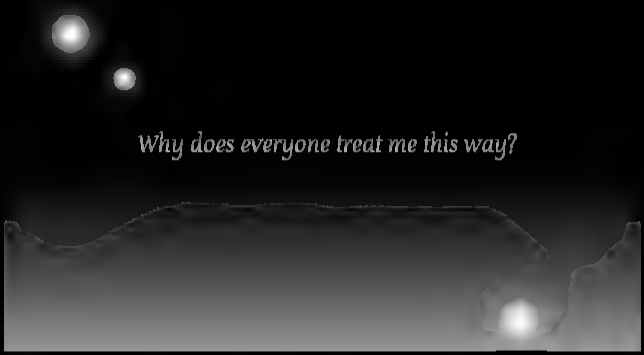
Who did this?
It was a girl from class 1. I've got a picture...
Huh? Hanbit, are you okay?
Does it hurt?
shiver
shiver
shiver



Why...?

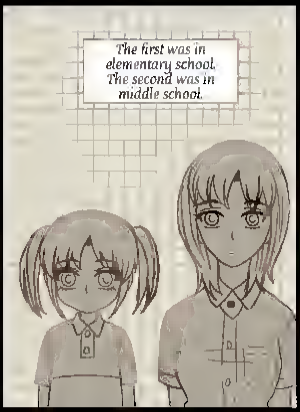


Why?
How come?



Why does everyone treat me this way?

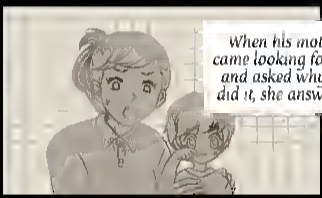
Hanbit was
Sujin's "third".



The first was in
elementary school.
The second was in
middle school.

When she was in elementary school she lured a boy home

and forced him to play with her and her dolls. She wouldn't let him leave



When his mother came looking for him and asked why she did it, she answered

"Why not? I just wanted him to play with me and my dolls."

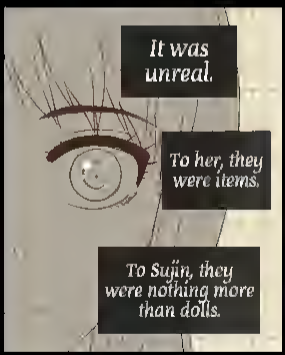
They let the situation go, thinking
perhaps she was too young to know
any better. Maybe they shouldn't
have dismissed it so easily

The next time it happened,
she was in middle school.

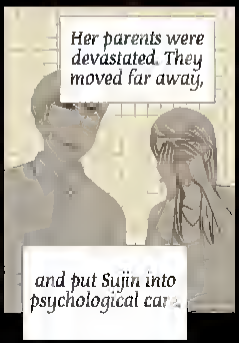
She drugged a boy by mixing
some cough medicine into a drink.
Then she hid him in her room.

Two days later, he ran away. When her parents
and his parents asked her why, she said,

He looked like a doll I had.
I just wanted to have him.



It was unreal.
To her, they were items.
To Sujin, they were nothing more than dolls.



Her parents were devastated. They moved far away,
and put Sujin into psychological care.

*After she transferred schools,*
*a year went by without problems, so*
*they thought everything would be okay.*

*Unfortunately,*
*that was not the case.*

After getting treated at the hospital, our families were all over us.
Bakha didn't wake up until dawn. When he woke up, he started talking to me.

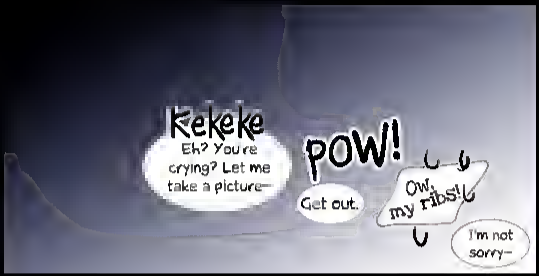
Hey. Do you finally understand the real reason I was mad at you?
Because I did something ba...
Ha
Don't even... That's another matter.
When you made that choice, did you feel good about it?

No, it was hard.
But there was a part of me that held back.
It's too hard
Does this mean I'm doing something bad?
Deep inside it felt really uncomfortable
Hehe... At least you're not totally hopeless.
cough cough
IT'S HARD TO TALK
I can't say what you did and thought was right
but those girls who took advantage of your weakness are at fault too

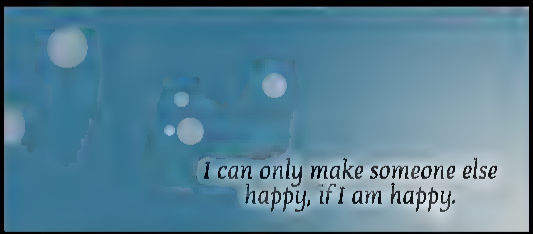
You are not their accessory.

Sacrificing what you want to please others like an idiot.
That's what made me mad.

I wish you were more assertive.
You have to make yourself happy first. Nothing else matters, just think of yourself first.



Kekeke
Eh? You're crying? Let me take a picture—
POW!
Get out.
Ow, my ribs!
I'm not sorry—



I can only make someone else happy, if I am happy.

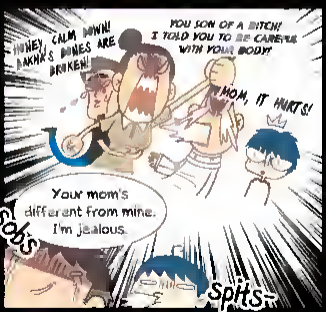
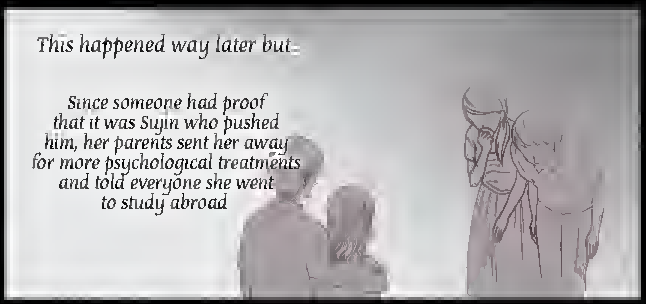
## -Chapter 39-
## Hanbit (5)

BROTHER~!
WAAAAAAAAAAAAA~

She made a huge scene about visiting you all night. How are you feeling?
I'm okay.
Sobs~



HONEY, CALM DOWN! AKIHA'S BONES ARE BROKEN!
YOU SON OF A BITCH! I TOLD YOU TO BE CAREFUL WITH YOUR BODY!
MOM, IT HURTS!
Your mom's different from mine. I'm jealous.
Sobs
Spits~



This happened way later but
Since someone had proof that it was Suyin who pushed him, her parents sent her away for more psychological treatments and told everyone she went to study abroad

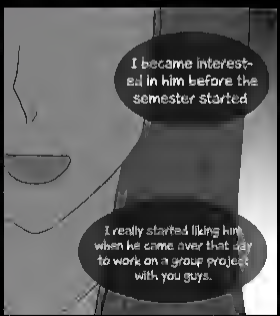
Sujin had given Hanbit one of the medicines she was prescribed during her first treatments to drug him

Since then, he has been traumatized about heights and being cornered at night.

I think his heart and mind were scarred pretty badly by the incident.

So we promised to keep that incident a secret.
That day he was pushed off the roof...
Let's
talk for a moment

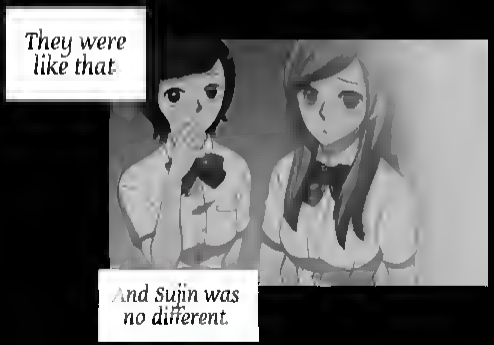
I asked her one last question to try and salvage what pride I still had left.
I asked her when she started liking him and if she really even liked him at all.



I became interested in him before the semester started.
I really started liking him when he came over that day to work on a group project with you guys.

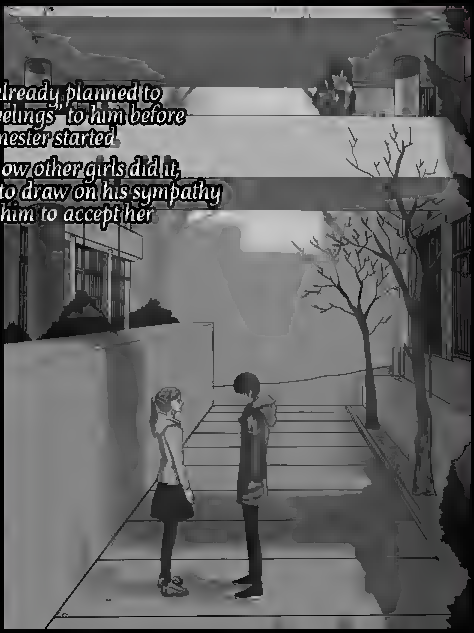
When he sat between my dolls,
he fit so well that it got me thinking,

"Ah, he'd be perfect if I placed him over there."
"How perfect."
CHI!!!
What?



They were like that.
And Sujin was no different.

These bitches treat others as their own personal accessories
Is Hanbit some cellphone charm? Just attach him to your side and everything is fine and dandy?

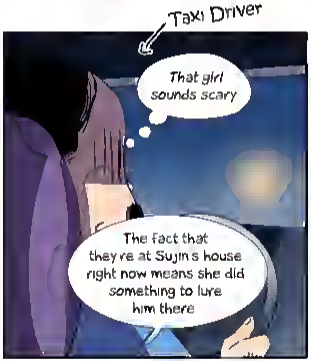


Sujin had already planned to "confess her feelings" to him before the semester started
Having seen how other girls did it, she used her tears to draw on his sympathy and forced him to accept her

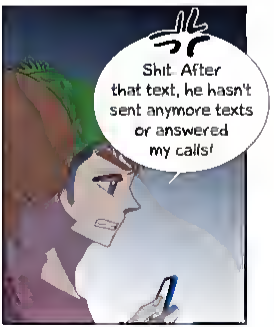
*It's been 5 years since then,*
*but Hanbit still has a fear of heights.*

*Then suddenly, Heo Sujin*
*reappears out of nowhere. Now*
*she's trying to do the same things*
*she did to him before.*

And that's the end of that story
This all happened 5 years ago

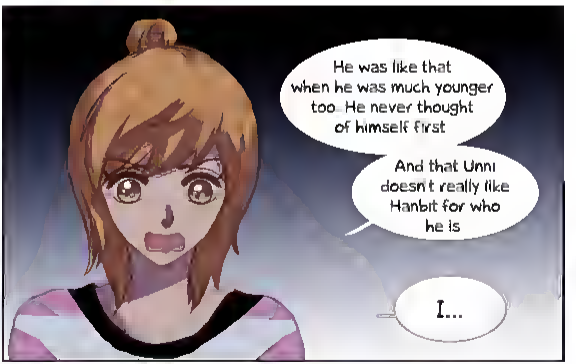


Taxi Driver
That girl sounds scary
The fact that they're at Sujin's house right now means she did something to lure him there



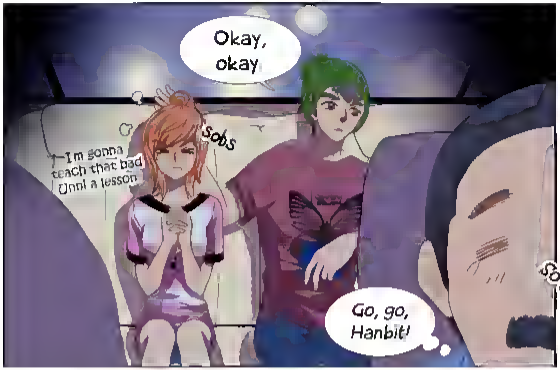
Shit After that text, he hasn't sent anymore texts or answered my calls!

So stupid.



He was like that when he was much younger too. He never thought of himself first
And that Unni doesn't really like Hanbit for who he is
I...

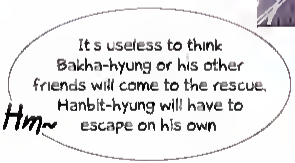
want Hanbit
to be happier
than me.
I like his smile.
I wished he'd always smile.



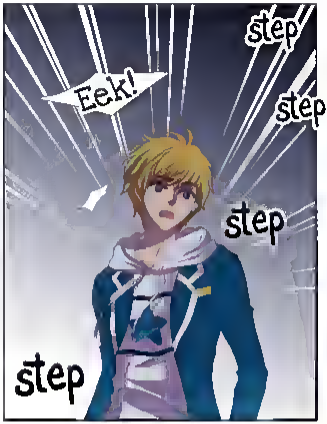
Okay, okay
I'm gonna teach that bad Unni a lesson
Sobs
Go, go, Hanbit!
So sad

Damn! The battery ran out. Since he owns this, I'll put it in my pocket for now.
Shh
Ke's

I did finish ripping off all the tape around his wrists. He was bound so tightly his wrists are swollen.



It's useless to think Bakha-hyung or his other friends will come to the rescue. Hanbit-hyung will have to escape on his own
Hm~



Eek!

OMG! That Nuna must be coming!
This is not good! Hyung!

Jeez, you surprised me. Are you awake now?
Hm, what happened...

How did you get free?

What?
Huh?

Eh?
Swollen wrists

EHH?!
This can't be!

I had something I wanted to tell her the last time something like this happened.

I wanted to say that I couldn't keep leading her on and wanted to break up with her.
That's why I had come all the way out here last time

I should draw the line and put my foot down for sure this time. This is probably the best way to get the message across to Sujin.
That way, we can both stop hurting each other.

I shouldn't have treated her that way.

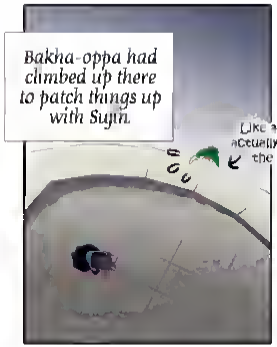
-Chapter 41-
*Something I Have to Say (2)*

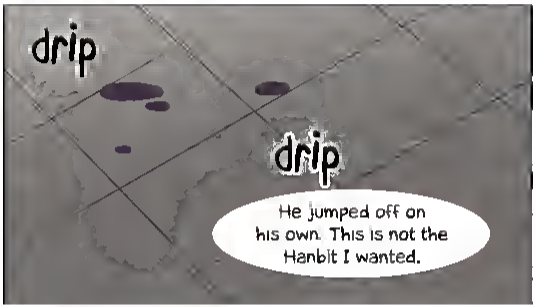
We didn't
tell our parents
or the police.

We decided to just
end things there.

The reason
for that was...



Not the Hanbit who defied me



*People change. It doesn't matter if it's for good, bad, or something in between. People just change.*

*That Unni seemed to be stuck in the past.*

*I can't tell if she liked Hanbit as a person, or if she just wanted a doll to add to her collection. I don't understand her.*

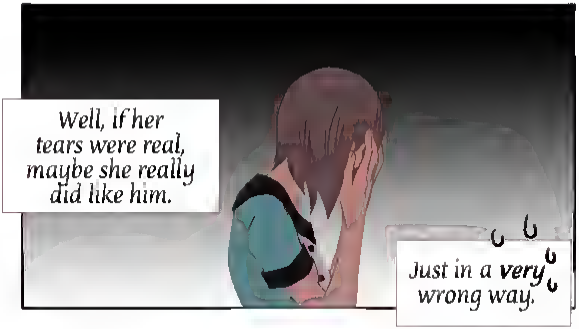
Sigh

*The only thing I'm sure of is that she really did let him go this time.*

*That Unni's parents weren't home because they went shopping. That made it easy for her to kidnap Hanbit.*

He got kidnapped on the one day her parents happen to be out. What rotten luck.

*Bakha-oppa said that her tears did seem real and sincere.*



Well, if her tears were real, maybe she really did like him.
Just in a very wrong way.

Oppa didn't tell his family what happened and made an excuse.
Why is your life such a horror story?
Do you want to take over?
Are you hurt badly?

↖ Hospital

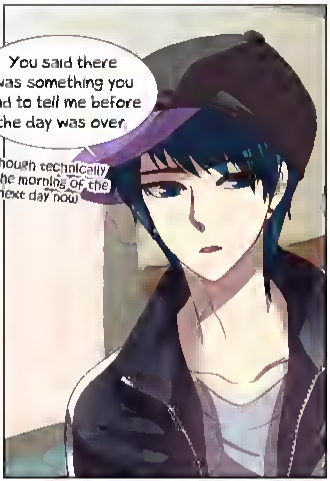
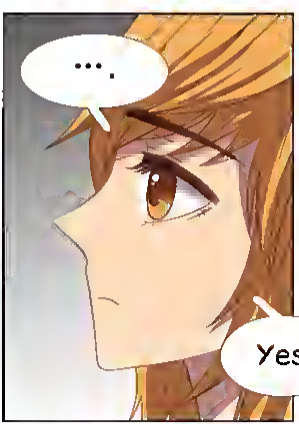
Okay~

Let's go out.
Jum
She was being lectured by her mom
OMG, he scared me!
PS!!

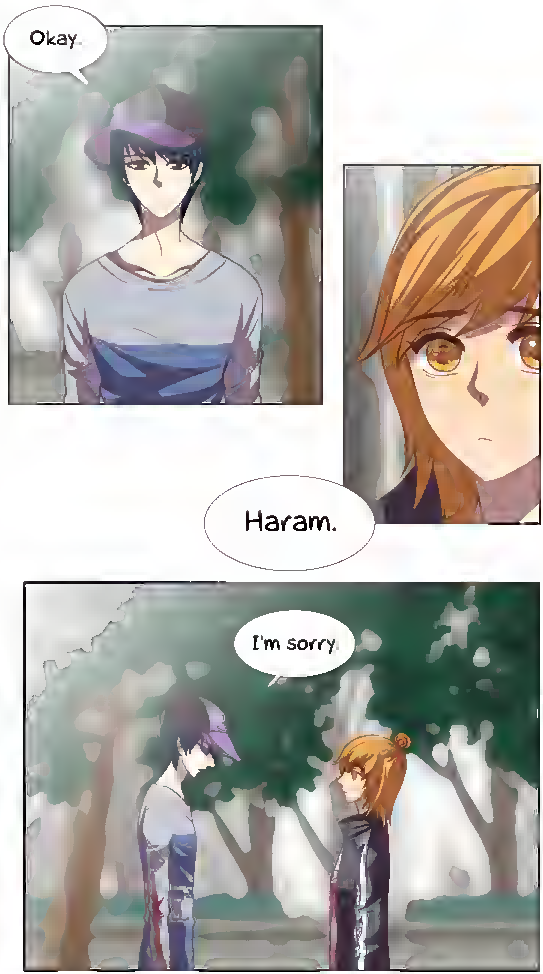


You said there was something you had to tell me before the day was over.
Although technically it's the morning of the next day now.



...
Yes.
It's a little cold because it's the morning here.

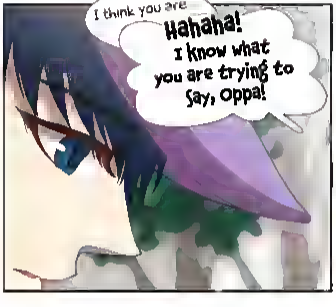
I know you're tired and your mind is all over the place, but please answer me again



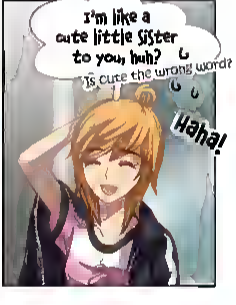
Okay.
Haram.
I'm sorry.

I don't want to change our relationship.

I don't want to ruin our friendship.



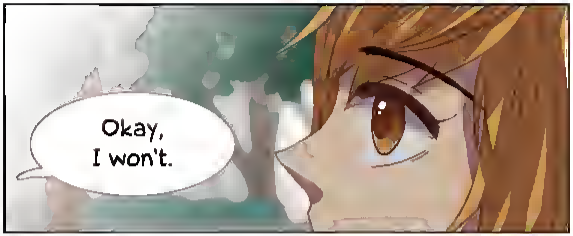
I think you are
Hahaha!
I know what you are trying to say, Oppa!



I'm like a cute little sister to you, huh?
Is cute the wrong word?
Haha!

Can I ask you for a favor? Well, no. This is something you *have* to do for me

Don't date anyone else-- at least until I stop liking you
Don't date anyone. Don't even have a crush on someone.

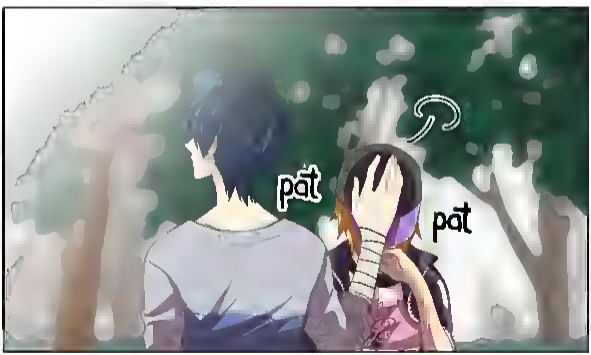


Okay,
I won't.

Not until you
say I can.

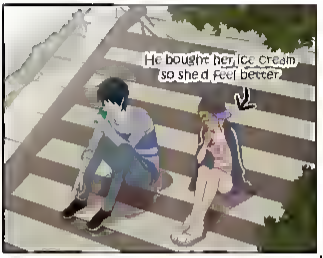
This guy is so silly.
Pfft, really?
He says he'll do what I ask of him, no matter how unreasonable.
Because it's me who asked... Me.
You still can't say "no", huh?

*Even so,*
*I'm still happy.*



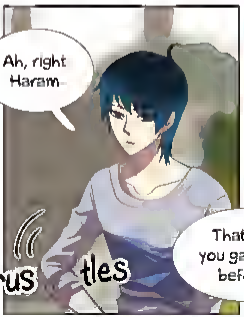
Because of me, Hanbit is forced to be stuck in the past.
Don't you dare like someone else.
I'm so stupid. We're both idiots.

Okay.



He bought her ice cream so she'd feel better.

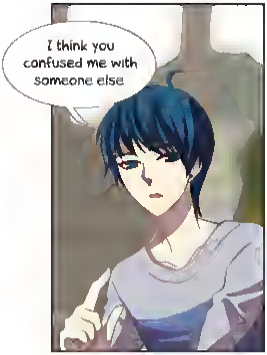
He treats me like a little kid
But it's so tasty



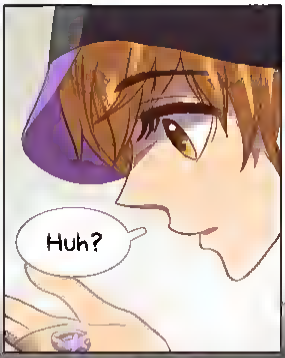
Ah, right Haram
rus tles

That ring you gave me before.

I never gave you a ring It's not from me.



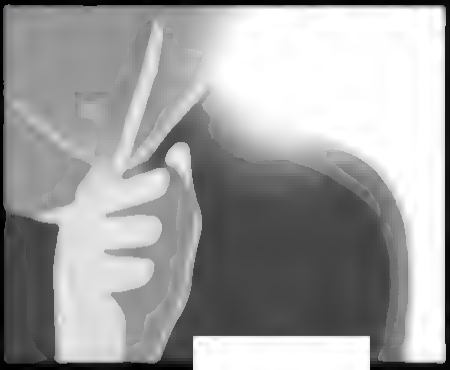
I think you confused me with someone else



Huh?

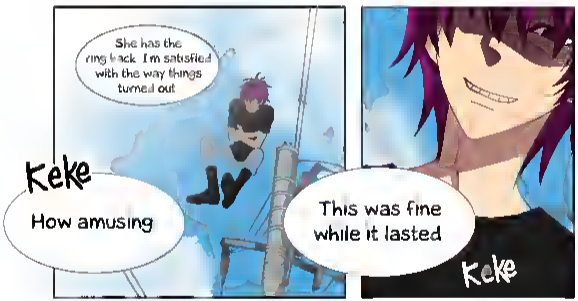
I thought the guy in my memory was Hanbit.

The silhouette was...



Ah.

I'm such an idiot. The silhouette was of a grown man.
So embarassing!~
Hanbit was a kid back then too. How could I have been so stupid?!
I spent so much of my childhood with him. how could I have confused them?
Then who was that person?



She has the ring back. I'm satisfied with the way things turned out
Keke
How amusing
This was fine while it lasted
Keke

The only thing I've seen was that one scene. I had no idea she'd be clever enough to put the pieces together.

A big applause for my friend there.

That man must be tired too. What an idiot. I would have gotten rid of her.

That kid can now possess people at will.
Hyun-c' wake up!!
He's gotten stronger.
And being stronger means...

Please don't come any closer!

That much time has passed.

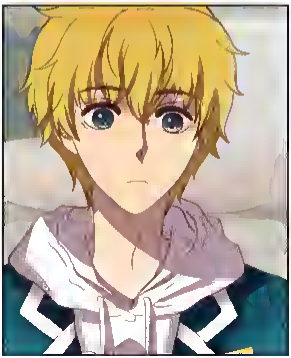
In Pinocchio, animals can see ghosts :D

The stupid ghost who lost to pigeons.



You know
Yesterday...
Eek! This Hyung! Even if you're scared,
REAC

You shouldn't jump with your eyes close
I had a strange thought when that happened

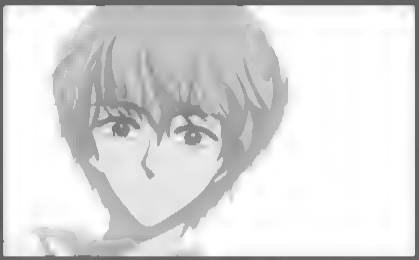
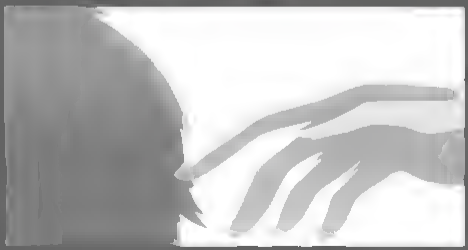
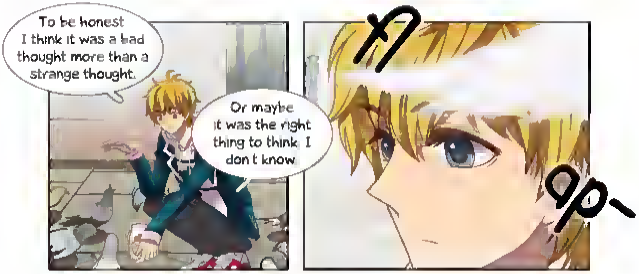
Truth is...
It wasn't a one-time thing.
Even then.



And then, too.





To be honest I think it was a bad thought more than a strange thought.
Or maybe it was the right thing to think. I don't know.

Hey, stop it! Ugh they're so annoying
They're so filthy too. They have diseases you know!
These pigeons are so useless. I wish we could just get rid of all the pigeons in the world or something

Hey that's what your mom said about you, ha!

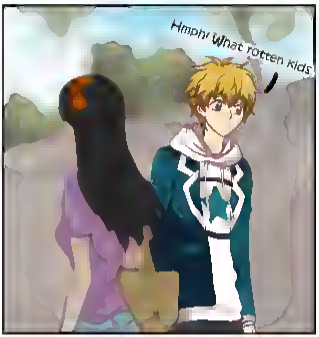
Waa!
Mommy!

Hehe
We won!



Hmph! What rotten kids

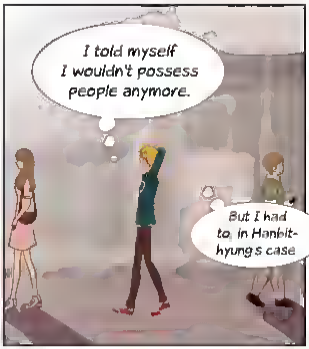
Huh?
SWOOSH!!

Whoa, that could have been bad
I almost got sucked in

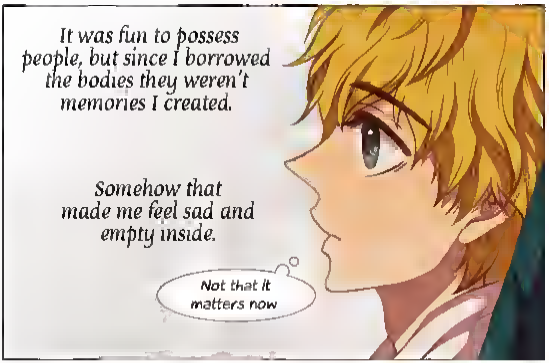
Yeah, this is also a problem. Strange...
As soon as I get distracted while people are around I almost end up possessing someone by accident
Is it a matter of controlling myself?

Things are ok as soon as I gather my senses, but...

But how is it possible for me to possess people on my own now?



I told myself I wouldn't possess people anymore.
But I had to, in Hanbit-hyung's case.



It was fun to possess people, but since I borrowed the bodies they weren't memories I created.
Somehow that made me feel sad and empty inside.
Not that it matters now

Argoo' my back.
Oh! She's still here that Ajumma from before!

I'm glad I decided to come here today!
So she always comes to this train station around this time huh?
He followed her a couple times before
NAMWOO STATION

I feel comfortable around her... Huh?
She's leaving! Don't go!
Ah
I want to help you this time!
SWO
OSH-!!

Excuse me, Ajumma

Me? How may I help you?
Is he lost?

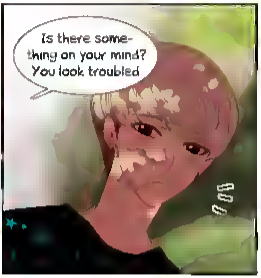
It's really Gaon.
I was wondering if I could help you.
Everytime I see you, it seems as if you're always carrying around heavy things
Haha

SUSPICIOUS
Oh! I'm not a bad person! I just happen to see you often. that's all!
EVERYTIME?!
KIDNAPPER?!
MURDERER?!
whimper!

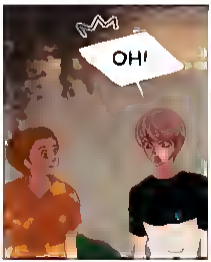
Ah. I'm just waiting for someone. It's alright.
This place is filled with nice people like that girl from before

Now it's just awkward...
How do I get myself out of this situation?

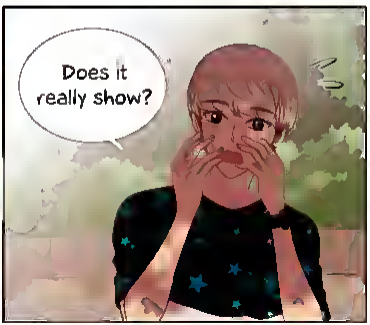
Why isn't he leaving?



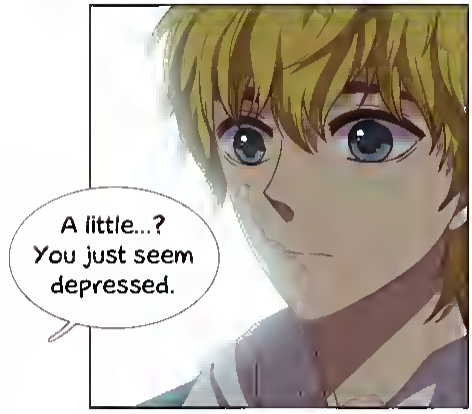
Is there something on your mind? You look troubled



OH!



Does it really show?



A little...?
You just seem depressed.

I guess expressions always tell the truth.

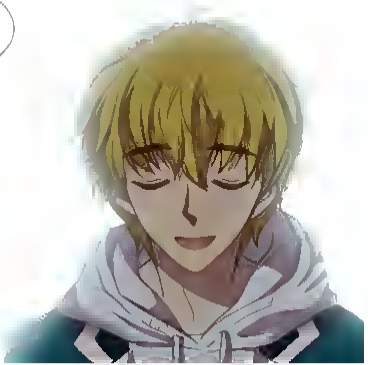
That's why I...

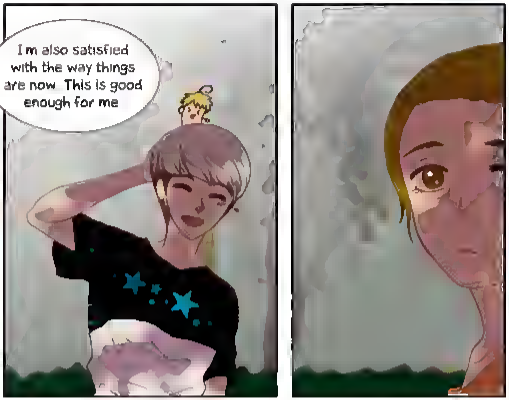
I always try to make sure I'm smiling.
She'll be upset if she finds out I'm sad

Oh? Who's "she"? Someone you like?
whimper!

No. How could I like someone?

I'm not supposed to.





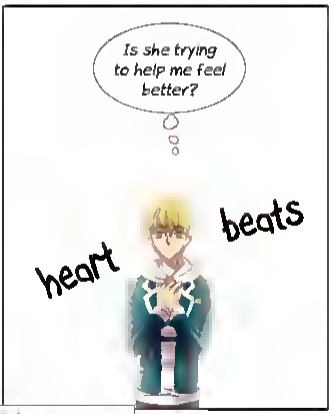
I'm also satisfied with the way things are now. This is good enough for me

No.
This is good enough for me. Don't worry.

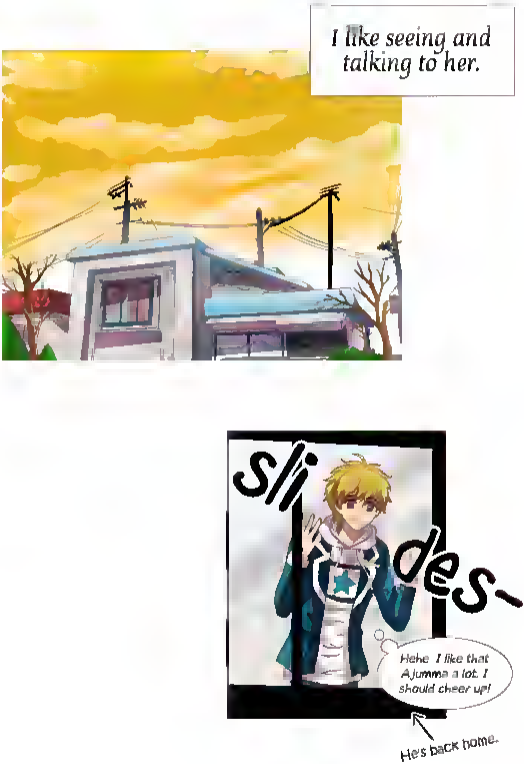
Huhu
You say the same things as him.
Huh?
Oh, nothing

Just be honest with her.
If you bottle up your feelings inside for long it'll be harmful. It's not bad to try and look happy, but-

It's better to show how you really feel.



This is so strange I've felt it since the first time I saw her.



I like seeing and talking to her.

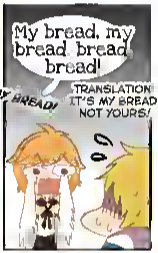
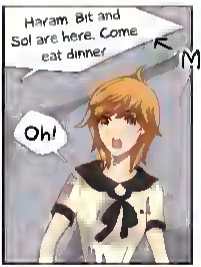
Hehe. I like that Ajumma a lot. I should cheer up!
He's back home.

※ Ju Haram

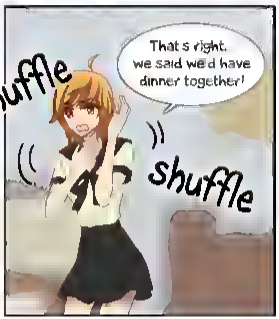
What are you doing?!
THIS GIRL, REALLY?!
YOU...YOU...



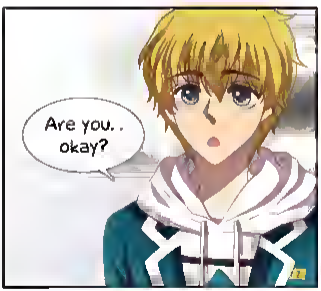
My bread, my bread bread bread!
MY BREAD!
TRANSLATION: IT'S MY BREAD, NOT YOURS!



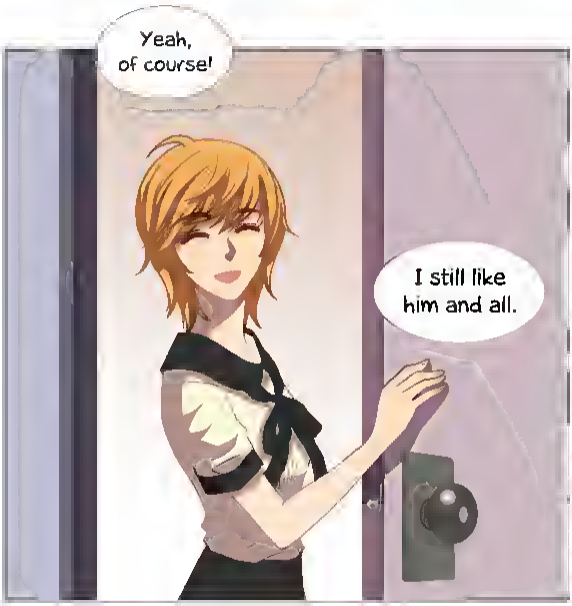
Haram Bit and Sol are here. Come eat dinner
Mom
Oh!



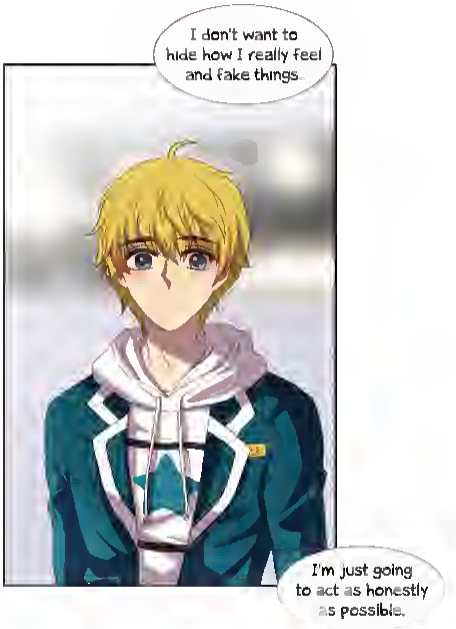
That's right.. we said we'd have dinner together!
shuffle
shuffle



Are you.. okay?

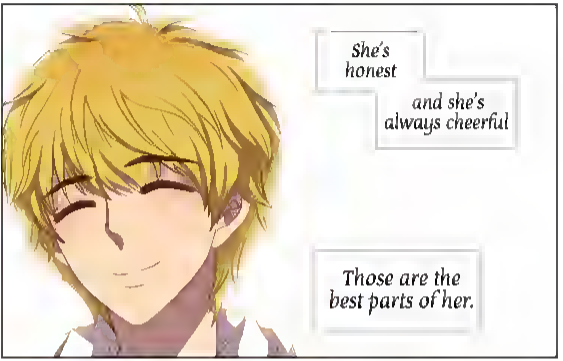


Yeah,
of course!
I still like
him and all.



I don't want to hide how I really feel and fake things.
I'm just going to act as honestly as possible.

It's better to show how you really feel.

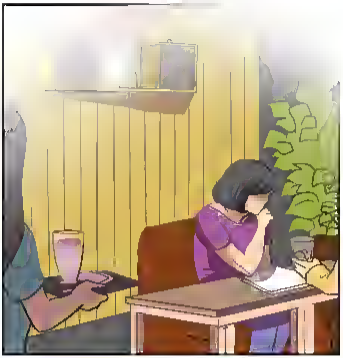


She's honest
and she's always cheerful
Those are the best parts of her.

Hey, I think you're pretty cool
Oh? Are you just figuring this out now?

*I really like that about her.*

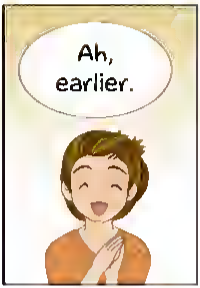
-Chapter 42-
Expression



I've made you some food so don't skip your meals and take care of yourself
You didn't have to do this
It's not a problem Thank you for coming so often to see me from Bong An Dang

Bong An Dang Nab Goi Dang used to indicate a traveller from Japan

That flower from before, was that you who left it?



I met a boy who sounded just like our Gaon.

He was brooding the same way Gaon used to. It made me think of old times.

It was so cute ~~

I see.

*This concludes Part 2*
*See you all in Part 3!*
